12. Hiddenseemarathon on the 23.06.2012 Stralsunder Canoe week from 23.06. – 30.06.2012

Dear sports fan,

the Stralsunder Canoe Club e.V. is inviting you to the 11. Hiddenseemarathon and the Stralsunder Canoe week. The attachment contains the event plan with an abstract of all routes.

The distance of the Hiddenseemarathon is overall 70 km through the waters of the Baltic Sea and the Bay of Stralsund, starting at the clubhouse in Stralsund around the isle of Hiddensee and back to Stralsund.

Up to 90 percent of the route is located in the national park „Vorpommersche Boddenlandschaft“. Besides the fun of canoeing this offers a unique experience of nature: colonies of seabirds, long lonely beaches, sandbanks and the impressive cliff line at the north of the island Hiddensee.

After the race every attendee will be provided with a relaxing massage, coffee, cake and a appropriate barbecue.

Due to the fact that the distance is very long it's a demanding race. Although exclusively non floating waters are passed, but with adverse winds the 20 kilometer long part of the route on the Baltic Sea can be very hard. **A good fitness level is the presupposition to start!** The race management reserves the right to change the course addicted to the wind and weather conditions. Assessment is arranged for the kayak classes K1, K2 (each for male and female), K2 mixed and open class (ski, outrigger) each for the year groups up to 40, from 40 to 60 and over 60.

Every athlete is bound to the race management orders. Contravention will be punished by a disqualification. Every boat that doesn't reach the destination till 4p.m. will be gathered by the accompanying boats. Everyone is committed to wear a life vest!

The start occurs on own risk!

Arrival is the 22.06.2012 till 20 o'clock. At 20 o'clock a briefing of the watercourses and the route will be hold. Furthermore every attendee will get a map of the routing. For the briefing applies compulsory attendance. Otherwise the start can be denied!

Departure is scheduled for the 24.06.2012. The start fee amounts 30 Euro per capita.

The canoe week this year will again take place after the marathon.

During the 5 days we will present you a couple of the best routes around Stralsund. The exact program will be posted at the bulletin. All routes depend on the local wind and weather! According to this conditions all tours can be switched respectively a alternative option will be given.
